* Please note that score report dates for Basic Skills CBT administrations typically fall during the late or emergency registration period for the next paper-based test administration (see "Test Dates for Paper-Based Testing" for registration deadlines). Late and emergency registration fees will not be waived for examinees who take the Basic Skills test on computer and then after receiving their CBT score report choose to register to retake the Basic Skills test at the next paper-based administration. Also, examinees who register for a paper-based test administration before receiving their scores and later learn that they passed the Basic Skills test on computer will not receive refunds for any testing fees paid.
